

Scholarship Opportunities

Morong Band of Mission Indians offers it's tribal members a full scholarship to full or part-time students attending an accredited community college, 4 year university, or vocational school.

Tribal scholarships cover one each of an AA/AS, BA/BS, MA/MS, and PhD degree and/or one vocational program.

The scholarship will help pay for:

- ♦ Tuition
- ♦ Mandatory school fees
- ♦ On-Campus/Campus affiliated housing
- ♦ Textbooks
- ♦ Related school supplies

Applications may be picked up at the Learning Center (Upper Campus) reception area or you may request an application be sent to you by calling Maria Gutierrez at (951) 572-6185.

Morongo School

Morongo School is a Preschool-8th Grade private school. Founded in 2009, Morongo School abides by its mission to provide each student with the highest quality and most academically challenging education in a nurturing, balanced, and culturally driven environment.

- **Who can attend?**

Tribal Member and 1st Descendant

- **Is this an online school?**

Although currently remote due to Covid-19 restrictions, we are an in-person school.

- **Why should I enroll my child at Morongo School?**

We pride ourselves in offering small class sizes in all three of our campuses and delivering a rigorous educational program. All of our teachers are credentialed and collaborate with parents to ensure all students are successful.

Call Christy at (951) 392-9568 to schedule a tour or to enroll today!

In the fall of 2021, Morongo School will be serving around 120 students ranging from Preschool through 8th grade over the three campuses.

Morongo School campuses:

- **Morongo School Little Creators Campus**
Preschool, Pre-K, and Kindergarten
- **Morongo School Middle Campus**
1st, 2nd, 3rd, and 4th Grade
- **Morongo School Upper Campus**
5th, 6th, 7th, and 8th Grade

We embrace the traditions of high academic challenge and the nurturing of strong character as we prepare Morongo School students to thrive as scholars, leaders and members of the community.

Academics

- o Critical Thinking Skills—We will grow and evolve the academic curriculum through an emphasis on developing students' critical thinking abilities.
- o Student Passion for Learning—We will provide resources and time to ignite students' passion for learning through authentic, student-centered approaches that include learning in real-world contexts.

Culture

Cultural understanding—We provide daily cultural education that instills cultural pride, self-advocacy and opportunities to engage with content through various community-based projects.

Alternative Education

Alternative Education provides academic support and guidance to students who are enrolled at local school district and independent studies programs. Our program is currently virtual due to Covid-19 restrictions, we look forward to serving all students in-person when allowed.

Our Tutors are able to provide academic support in the following subjects:

All services are offered virtually via Google Classroom.
