

# Moronggo Recycles!

## Coloring Book

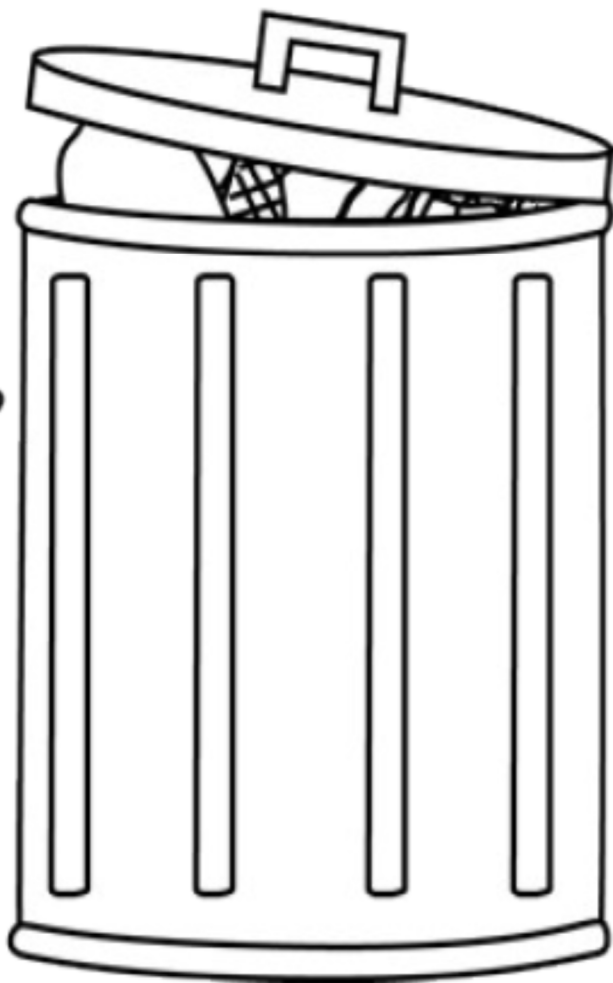

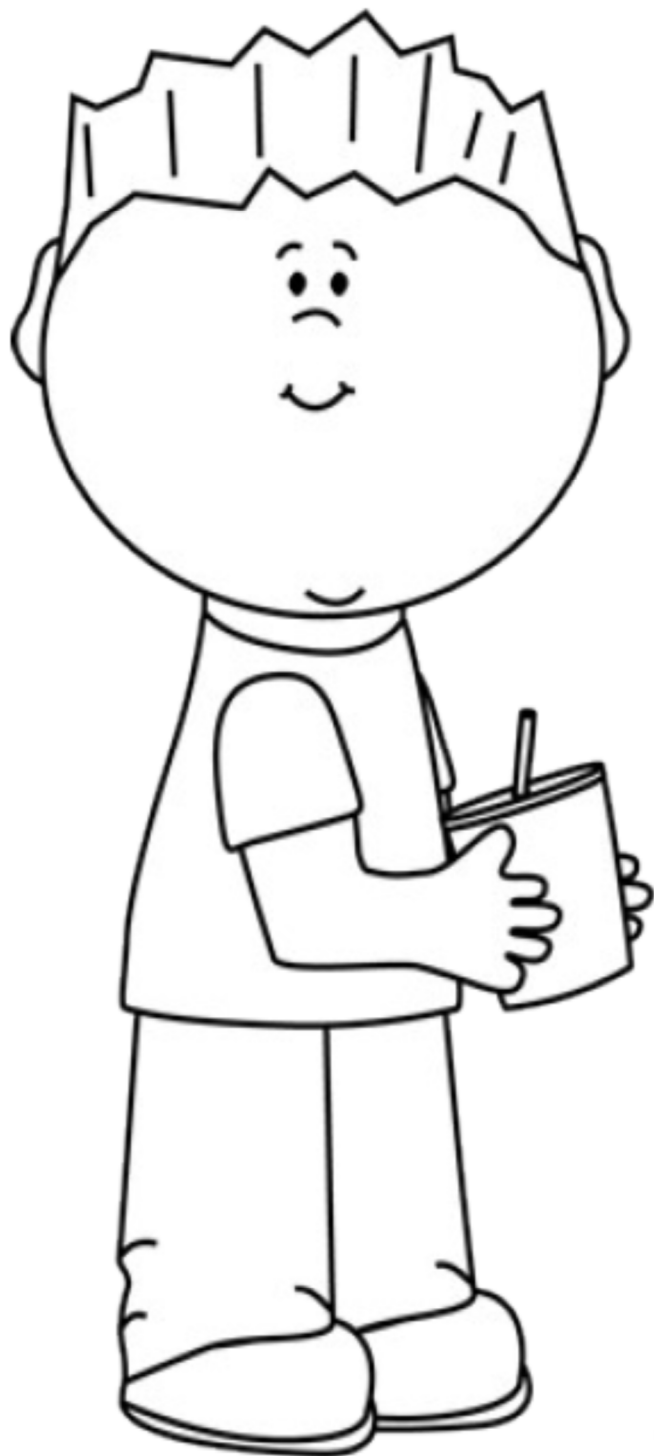

Belongs To \_\_\_\_\_

BIG or small,  
you can help protect  
Mother Earth!

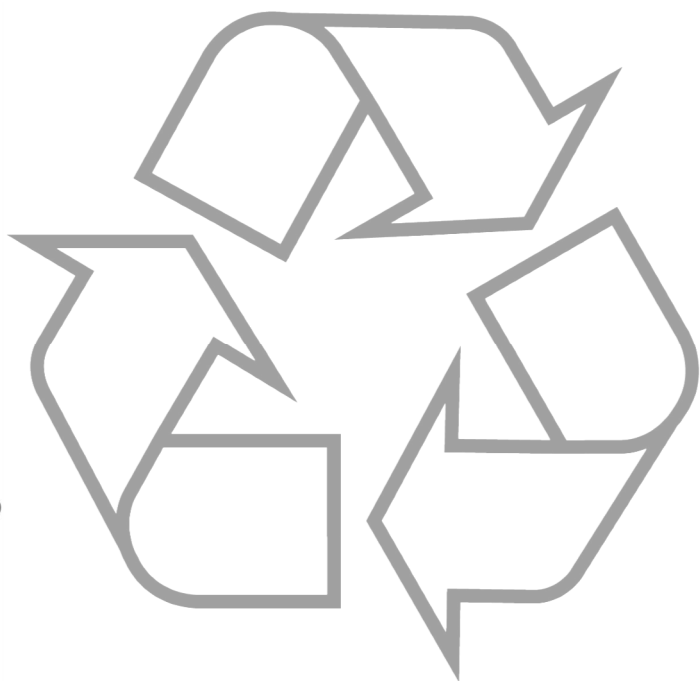

Please pick up litter...

and recycle!

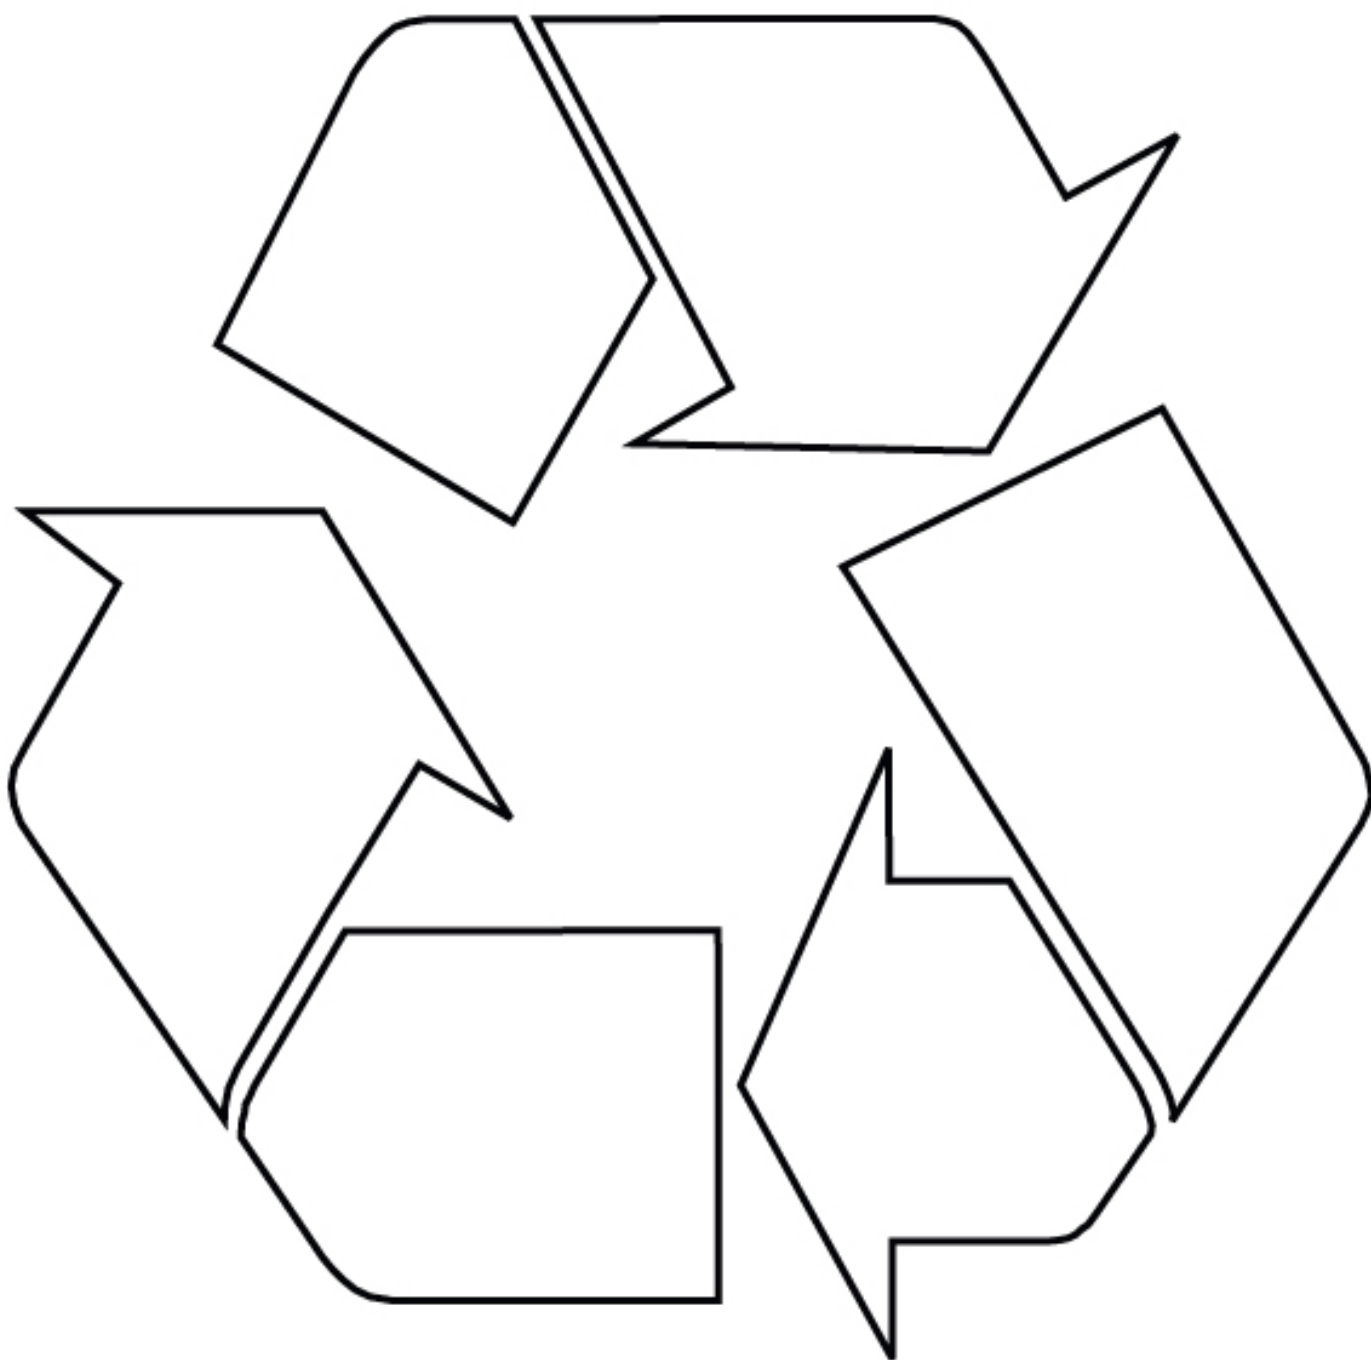

Most of our  
garbage can  
be recycled!  
Look for the  
recycle logo!

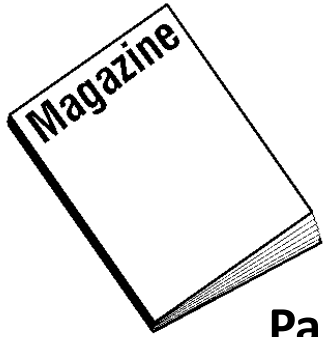

The traditional color for the recycle symbol is green. Why not use your imagination and color it in a different way!

# Morongo Recycles!

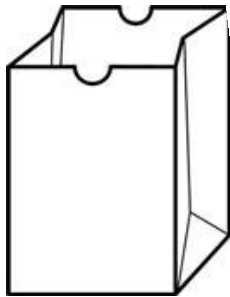

All the items below are recyclable! Color which ones you recycle at home and at school.

**Paper**

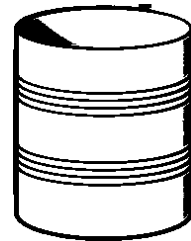

**Plastic**

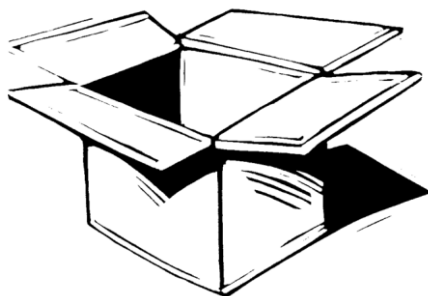

**Cardboard**

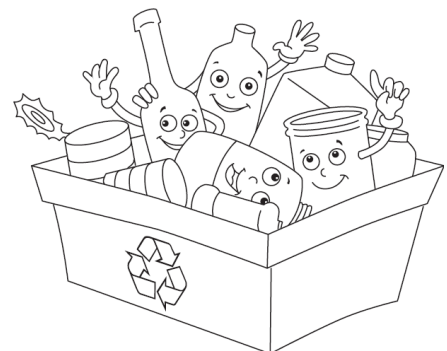

**Glass**

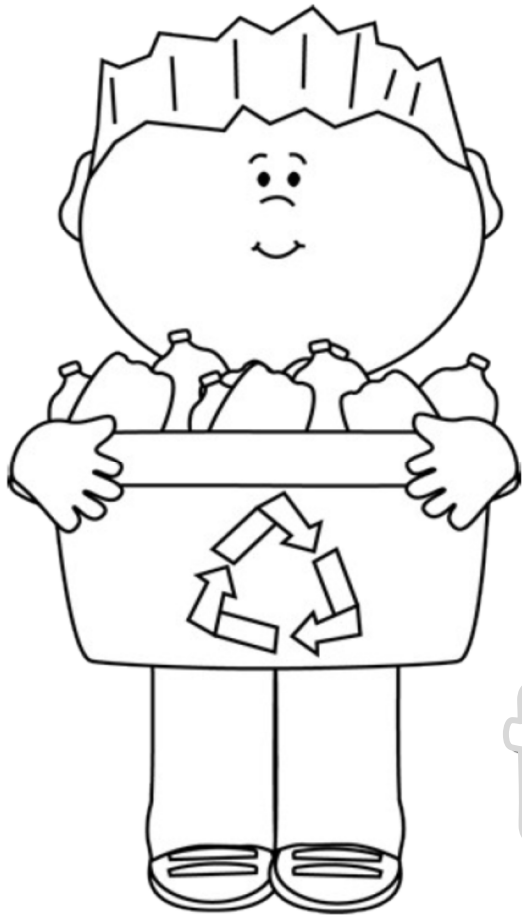

**Cans**

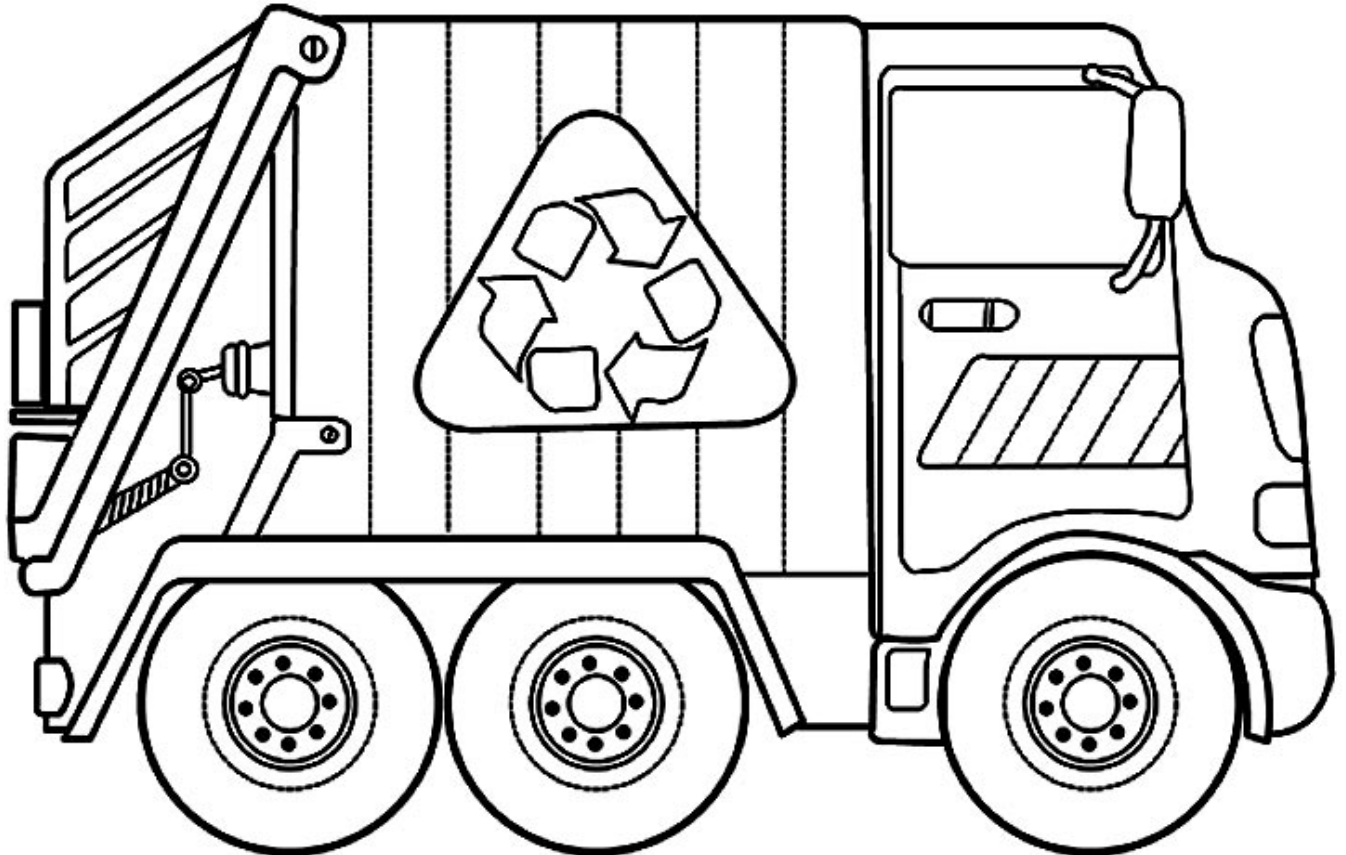

Keeping our environment healthy is  
very important!  
Thank you for Recycling!

Our recyclables  
are picked up by  
the recycle truck...

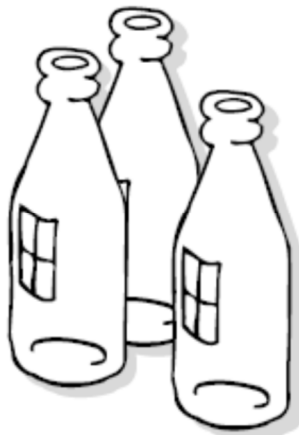

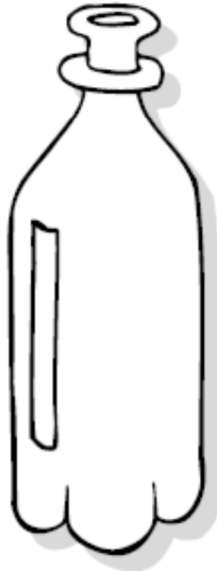

...and driven to a  
recycle center for sorting.

Then, our recyclables  
are used to make new things!

Thanks for learning about recycling! Draw your picture in the frame below!

We hope this activity book has helped you  
picture a healthy environment for plants,  
animals, and people!
