RFP for FS1 California Earthquake Early Warning System (CEEWS) Addendum #1

Dear Vendor,

I hope this message finds you well. We are writing to inform you of updates to the timeline for the RFP regarding the Early Earthquake Warning System for our new Fire Station FS1. Please note the following revised dates:

- **Deadline for Questions:** January 14, 2025
- **RFP Submission Deadline:** January 16, 2025, by 5:00 PM
- **Site Walk:** January 9, 2025, at 10:30 AM
- **Selection of Vendor/Firm:** January 21, 2025

We kindly ask you to adjust your plans accordingly and let us know if you have any questions or need additional information.

Additionally, please be advised that this letter serves as **Addendum #1** to the RFP. Upon receipt of this letter, if you wish to proceed with the RFP, we kindly ask you to acknowledge this addendum by signing under the **Addendum #1** section of the RFP and submitting it with your proposal.

Thank you for your interest in this project, and we look forward to your submissions.

Best Regards,

Abdul R. Ahmad

Morongo Reservation Fire Department Chief
